His Excellency  
Dr A. P J. Abdul Kalam  
The President of India  
Rastrapathi Bhavan  
New Delhi

Respected Rastrapathiji,

Sai Ram and Greetings to you.

You are greatly interested in the poetry and you had read a poem composed by you in English and also got it translated into Telugu and read at the Birthday Celebrations of Bhagavan Sri Sathya Sai Baba on 23<sup>rd</sup> November 2006. in Prasanthi Nilayam.

By Bhagavan's Grace, several Bhajans and Namavalis in Sanskrit, Telugu and English were noted by me from time to time while travel in Plane, on road and at mid night. I strongly believe and feel these were composed by Him and put into my mouth as inspired ones. That is HIS way. I am enclosing the English ones for your kind perusal.

With Profound Regards

Yours respectfully,

**(Tumuluru Krishna Murty)**

### **1. THY NAME IS TRUTH**

Thy name is Truth.  
Thou art Truth, Existence and Bliss  
Thou art love Incarnate  
Thou art my mother, father  
friend, philosopher and guide  
Thou art my source sustenance  
and solace  
Guide me my father, guard me  
my mother and lead  
me my Lord  
Thou art my refuge,  
everything and all.  
Thy name is Truth.

## **2. ALL NAMES ARE YOURS**

O' the nameless as the formless One  
    you answer any name  
All names are yours  
    Jesus, Allah, Jehovah, Zorastra  
    Rama, Krishna , Buddha  
    to mention a few  
You are everywhere and in everything  
    in the Universe  
You shower grace equally on all  
    as Sun is every-ready to flood  
    his shine on everyone  
I am yours  
    grant me, O Lord the strength  
    to hold fast your Lotus Feet  
Merge me in thee, O my Lord  
**I am yours**

## **3. LEAD KINDLY LIGHT**

The world is full of anger and hatred  
    craving for lust, power and money  
It is a brink of destruction  
O! my Lord, the love incarnate  
    show us the direction, dispel  
    darkness, destroy the evil  
    sow the seeds of love  
In this faltering, fleeting and  
    transitory world  
Lead kindly light  
Make me my Lord an instrument  
of peace in Thy hands.  
Make every act of mine sublime

## **4. OUR PRAYER**

Oh Lord you know my plight  
The plight of helplessness  
Oh the Lord of the Universe

The Creator, Sustainer and Destroyer  
The Lord of Sathya, Dharma  
    Shanthi, Prema and Ashimsa  
Sow in us the seeds of Truth,  
Implant in us the path of  
Righteousness,  
Bless us with eternal Bliss  
    and permanent peace  
Instill in us the sense of Non -violence  
Help us Oh! Lord to reconstruct  
    and resurrect ourselves for  
    mergence in thee  
This is our prayer

## **5. SHOW US THE DIRECTION**

Oh! Lord of the Universe  
The Indomitable, Inscrutable and Eternal  
The Omnipotent, Omnipresent and Omni-All.  
The sustainer, saviour and succour to all.  
The evil minds lilly- puts  
    in their ignorance, stupidity  
    and idiocy  
    tried their hand to destroy  
    the indestructible  
Alas ! the demons reached the  
    Yama's abode  
Oh! Lord pray protect the  
    Good, show us a  
    Sense of direction  
    in this world of chaos  
To see good, do good  
    and be good.

## **6. THOU ART THAT**

Thou art the Immortal, Inscrutable, Indestructable,  
    Immeasurable and Incomprehensible  
  
Thou art the Beginningless, Middleless, Endless and Eternal  
  
Thou art Sarvabhootantaratma, Sarveswara, Sadasiva,

Satchitananda,

Thou art the Trinity – Brahma, Vishnu, Maheshwara

Thou art the Adi Shakti. Sarva Shakti, Parashakti,  
Lakshmi , Saraswati and Parvati

Thou art Omnipresent, Omnipotent, Omniscient,  
Omnifelicity and **OMNIAL**

Thou art the Ocean of Mercy and Shower of Compassion  
And Milk of Kindness

Thou art Sathyam, Jnanam, Anantham, Adavitham

Thou art Sathyam, Sivam, Sundaram

Thou art That Supreme – **SRI SATHYA SAI**

## **7. HOLD FAST**

The Lotus Feet of the Lord

That guide, guard, protect

And help you to cross the cycle of births and deaths

**BEWARE!** When a seed of Ego

Raises its ugly head, Or

When a dirty desire seizes

And makes you a slave that urges for satisfaction

Your hold on the Lord's Lotus Feet loosens;

You move away from HIM.

**BE VIGILENT! BE VIGILENT!**
